Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Naturasil® Tinea Versicolor Relief Soap

Drug Facts:

Active Ingredients:

Sulfur 1X HPUS

Thuja Occidentalis 6X HPUS

The letters HPUS indicate the component(s) in this product is (are) officially monographed in the Homeopathic Pharmacopeia of the United States.

Purpose

Tinea Fungus Symptom Relief

Use:

Symptomatic homeopathic topical treatment of common fungal tinea versicolor.

Warnings:

For external use only. Ask a doctor before use if pregnant or nursing.

Avoid using near eyes, mouth or mucous membranes. If contact with eyes or mucous membranes occurs, rinse thoroughly with water.

Keep out of reach of children. In case of ingestion call Poison Control Center hotline immediately at 1-800-222-1222.

Directions:

Use soap at least 2 times daily, for 4-10 days. Re-Exposure to UV rays (Sun) is essential in bringing back the melanin pigment of your skin. Drying of skin may occur. Some individuals may be sensitive to essential oils. Skin test for tolerability. If irritation or reaction occurs, discontinue use. Results may vary.

Inactive Ingredients:

Aqua, Dipropylene Glycol, Glycerin, Lavandula Angustifolia (Lavender) Oil, Odor Neutralizer, Sodium Cocoate or Sodium Palm Kernelate (sustainable), Sodium Chloride, Sodium Gluconate, Sodium Palmate, Tetrasodium Glutamate Diacetate
