

MINERAL SUNSCREEN SPF 30 BOO BAMBOO- zinc oxide aerosol, spray
Hush Brands Inc

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active Ingredients (w/w)

Zinc Oxide 16.5%

Purpose

Sunscreen

Use

Helps prevent sunburn. If used as directed with other skin protection measures, decreases the risk of skin cancer and early skin aging caused by the sun.

Warnings

For external use only.

Do not use on damaged or broken skin. Do not place in hot water or near radiator, stove or other sources of heat.

Do not puncture or incinerate container or store at temperature above 50°C. Contents under pressure.

Stop use and ask a doctor if rash occurs.

When using this product avoid contact with eyes. If contact occurs, rinse thoroughly with water.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Adults, adolescents and children over 6 months of age • Spray generously and spread evenly by hand 15 minutes before sun exposure.
- Hold container 4 to 6 inches from skin to apply. • Do not spray directly onto face. Spray on hands, then apply to face.
- Do not apply in windy conditions • Use in a well-ventilated area. • Avoid inhaling or exposing others to spray.
- Reapply:
 - after 40 minutes of swimming or sweating
 - immediately after towel drying
 - at least every 2 hours
- children under 6 months: Ask a doctor

Sun Protection Measures: Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including:

- limit time in the sun, especially from 10 am - 2 pm

- wear long-sleeved shirts, pants, hats, and sunglasses.

Other Information

- Protect the product in this container from excessive heat and direct sun • Store at room temperature 59-86°F. May stain surfaces and fabrics.

Directions / Mode d'emploi			
<ul style="list-style-type: none"> • Adults, adolescents and children over 6 months of age. • Spray generously and spread evenly by hand 15 minutes before sun exposure. • Hold container 4 to 6 inches from skin to apply. • Do not spray directly onto face. Spray on hands, then apply to face. • Do not apply in windy conditions. • Use in a well-ventilated area. • Avoid inhaling or exposing others to spray. Reapply: • after 40 minutes of swimming or sweating • immediately after towel drying • at least every 2 hours. • Sun Protection Measures: Spending time in the sun increase your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including: • limit time in the sun, especially from 10 a.m. – 2 p.m. and • wear long-sleeved shirts, pants, hats, and sunglasses. • Test on small area of skin before first use. If irritation occurs (within 24 hours), use different product. • For use on children less than 6 months of age, ask a doctor. / • Adultes, adolescents et enfants de plus de 6 mois • Vaporiser généreusement puis étaler uniformément avec les mains 15 minutes avant l'exposition au soleil. • Tenir le contenant à une distance de 4 à 6 pouces de la peau lors de l'application. • Ne pas vaporiser directement sur le visage; vaporiser dans les mains, puis appliquer sur le visage. • Ne pas appliquer par temps venteux. • Utiliser dans un endroit bien ventilé. • Éviter d'inhalier ou d'exposer d'autres personnes à la vaporisation. Appliquer de nouveau : • après 40 minutes de baignade ou après avoir transpiré • immédiatement après s'être séché à la serviette • au moins toutes les 2 heures. • Mesures de protection contre le soleil: Passer du temps au soleil augmente le risque de cancer de la peau et du vieillissement prématuré de la peau. Afin de diminuer ce risque, il convient d'utiliser régulièrement un écran solaire avec un FPS à large spectre d'au moins 15 et d'appliquer d'autres mesures de protection contre le soleil, telles que: • limiter le temps passé au soleil, notamment entre 10h – 14h; et • porter des chemises à manches longues, des pantalons, un chapeau et des lunettes de soleil • Avant d'utiliser, appliquer sur une petite surface de la peau. Si une irritation se produit (dans un délai de 24 heures), utiliser un autre produit que celui-ci. • Pour les enfants âgés de moins de 6 mois, consulter un médecin. 			
Other Information / Autres renseignements
