

**CVS CAPSAICIN- capsaicin cream**  
**CVS PHARMACY**

-----  
**CVS Capsaicin Cream 0.1% 1.5 oz 37992 ZDP**

Active ingredient	Purpose
Capsaicin 0.1%.....	Topical analgesic

For the temporary relief of minor pain associated with:

- Arthritis
- Simple backache
- Muscle strains
- Sprains
- Bruises

**Warnings**

For external use only

**Do not use**

- on wounds, damaged, broken or irritated skin
- with a heating pad
- if you are allergic to capsicum or chili peppers

When using this product

- avoid contact with eyes and mucous membranes
- do not bandage tightly
- a transient burning sensation may occur upon applications but generally disappears in several days
- do not expose the treated area to heat or direct sunlight

Stop use and ask a doctor if

- condition worsens
- symptoms persist for more than 7 days or clear up and occur again within a few days
- redness is present or irritation develops
- a severe burning sensation occurs

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children.

In case of accidental ingestion, get medical help or contact a Poison Control Center right away.

**Directions**

Adults and children over 18 years:

- use only as directed
- apply to affected area
- massage into painful area until thoroughly absorbed

- repeat as necessary, but no more than 3 to 4 times daily
- wash hands with soap and water after applying
- children under 18 years of age: ask a doctor
