

WARTROL - antimoniom crudum, baptisia tinctoria, causticum, nitricum acidum, thuja occidentalis, spray
Liddell Laboratories

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Wartrol

ACTIVE INGREDIENTS: Antimonium crudum 30C, Baptisia tinctoria 3X, Causticum 200C, Nitricum acidum 200C, Thuja occidentalis 200C.

INDICATIONS: Help reduce appearance and discomfort of warts on any area of the body.

WARNINGS: If you are pregnant or breast-feeding, seek the advice of a doctor before use. There is no known cure for genital herpes. This product will not stop the transmission of the herpes virus from one person to another.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Do not use if tamper evident seal around neck of bottle is missing or broken.

DIRECTIONS: Adults and children over 12: Spray twice under tongue 3 times per day. Consult a doctor for use in children under 12 years of age. Wartrol can also be applied topically to increase effectiveness: one spray on the wart as desired, up to 6 times per day.

INACTIVE INGREDIENTS: Alcohol 20% v/v, Purified water.

KEEP OUT OF REACH OF CHILDREN: In case of overdose, get medical help or contact a Poison Control Center right away.

INDICATIONS: Helps reduce appearance and discomfort of warts on any area of the body.
