CVS Health

Drug Facts

Active ingredient	Purpose
Benzoyl Peroxide 4%.....	Acne Treatment

Use For the treatment of acne.

Warnings

For external use only.

Do not use if you have very sensitive skin or if you are sensitive to benzoyl peroxide.

When using this product • skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time. • rinse right away with water if it gets in eyes • avoid unnecessary sun exposure and use a sunscreen • avoid contact with the eyes, lips, and mouth • avoid contact with hair and dyed fabrics, which may be bleached by this product • skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Stop use and consult a doctor if • irritation becomes severe.

Directions • Wet face • Apply to hands and work into a lather • Massage face gently • Rinse thoroughly and pat dry • Cleanse twice a day • If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and consult a doctor.
