-----

For **nasal use only**. Upon initial use, you will experience a powerful sensation which lasts a few seconds. This sensation is inherent to the process that allows the capsaicin to work. Temporary discomfort such as burning, stinging, sneezing, or an increase in nasal discharge may result.

Ask a doctor before use if you have:

- ever had any medical procedures relating to your nose or sinuses, or you're susceptible to nose bleeds
- allergies to any of the ingredients.

When using this product:

- Avoid contact with the eyes, In case of accidental contact with eyes, flush with water (and immediately seek professional help).
- The use of this container by more than one person may spread infection.

Stop use and ask doctor if symptoms persist more than two weeks or worsen or if you experience dizziness or hear palpitations.

If pregnant or breast-feeding, ask a health care professional before use.

Keep out of reach of children. If swallowed get medical help or contact a Poison Control Center right away.

Directions:

- Adults and children 12 years of age and older: use as needed at the first sign of symptoms. Pump 1-3 times in each nostril.
- Children under 12 years of age: Consult a doctor before use.

To use pump: Shake well. Remove cap and safety clip. Hold with thumb at bottom of bottle and place nozzle between fingers. Before using the first time, prime pump by depressing several times. Insert nozzle into nostril and firmly depress rim. Sniff deeply.
