Parfum

For those who want whitening products but not dry one.

This emulsion does not only help pore care, but also help whitening effect.

It controls the level between oil and moisture so that the pore is tightened and the skin tone becomes bright and even. Also the moisture supply effect will give a fresh feeling as well as moist feeling. It is a soft type of emulsion so it can make the shiny skin like ceramic

keep out of reach of the children

After cleansing, use toner to smooth the skin texture.

Apply an adequate amount of the emulsion to the face, and spread it softly.

Pat your face to be absorbed completely.

For external use only
