Ethylhexylglycerin  
Parfum

For those who want whitening products but not dry one.

It is a transparent gel type essence which is easy to be absorbed to skin and gives tightening feeling. It tightens the pores and brightens the skin tone evenly and be absorbed to skin with fresh feeling. It is a serum which focuses on the whitening and pore control so that the murky skin can become bright shiny skin. Also, the pore clean effects will tighten the pore to become

smooth skin

keep out of reach of the children

After cleansing, use toner to smooth the skin texture.

Apply enough serum to the face, and let it be absorbed deeply into skin.

It gives you the synergy effect, when used before the emulsion.

For external use only
