- Anti-wrinkle function lotion

The ginseng extract and 9 types of mushroom extracts will fill up skin with nutrition and make the skin elastic and healthy for long. It will help skin to relieve stress from external environment and help skin to look vital, radiant and elastic. The adenosine which is known as wrinkle improvement ingredient will improve the fine wrinkles and maintain skin texture smooth. It is very soft and moist to use.

keep out of reach of the children

After cleansing, use toner to smooth the skin texture.

Apply an adequate amount of the emulsion to the face, and spread it softly.

Pat your face to be absorbed completely.

For external use only
