-Anti-wrinkle function toner

The toner contains various nutrition which is good for skin care and antioxidant such as panax ginseng root extract and 9 types of mushroom. Transparent viscous toner will supply nutrition to skin and be absorbed completely to make skin shiny.

It is a nutrition supply toner which helps recovery of skin fatigue and replenishment of skin basic nutrition as if essence was applied to skin.

keep out of reach of the children

After cleansing, wet a cotton pad with enough toner and apply it on your face.

Apply it softly from the center part of your face to the outer part along the skin texture.

Pat your face to be absorbed completely.

For external use only

When using this product

■ if the following symptoms occurs after use, stop use and consult with a skin specialist
 red specks, swelling, itching

■ don't use on the part where there is injury, eczema, or dermatitis

Keep out of reach of children

■ if swallowed, get medical help or contact a person control center immediately
 for external use only
