Rite-Aid High Potency Arthritis Pain Relief Cream 1.5 oz ZDP 78846

Active ingredient Purpose

Capsaicin 0.1%.....Topical analgesic

Uses

- temporarily relieves minor pain of muscles and joints associated with:
- arthritis
- simple backache
- strains
- sprains
- bruises

Warnings

For external use only

Do not use

- on wounds, damaged, broken or irritated skin
- with a heating pad
- if you are allergic to capsicum or chili peppers

When using this product

- avoid contact with the eyes or mucous membranes
- do not bandage tightly
- a transient burning sensation may occur upon application but generally disappears in several days
- do not expose the treated area to heat or direct sunlight

Stop use and ask a doctor if

- condition worsens, symptoms persist for more than 7 days or clear up and occur again within a few days
- redness is present or irritation develops
- a severe burning sensation occurs

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) right away.

Directions

- adults and children 18 years of age and older:
- use only as directed
- apply to affected area

- massage into painful area until thoroughly absorbed
- repeat as necessary, but no more than 3 to 4 times daily
- wash hands with soap and water after applying
- children under 18 years of age: ask a doctor

Other information

- store at room temperature 20-25°C (68-77°F)

Inactivate ingredients

benzyl alcohol, cetyl alcohol, isopropyl myristate, petrolatum, polyoxyl 40 stearate, purified water, sorbitan monostearate, sorbital
