Drug Facts

Active ingredient (in each teaspoonful)
Sennosides 8.8 mg Laxative

Purpose
Laxative

Uses: relieves occasional constipation (irregularity), generally produces bowel movement in 6-12 hours

Warnings: ask a doctor before use if you have • stomach pain • nausea • vomiting • noticed a sudden change in bowel movements that continues over a period of 2 weeks

Do not use laxative products for longer than 1 week unless directed by a doctor

Ask a doctor or pharmacist before use if you are taking any other drug. Take this product two or more hours before or after other drugs. Laxatives may affect how other drugs work.

Stop use and ask a doctor if you have rectal bleeding or fail to have bowel movement after use of laxative. These may indicate a serious condition.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions: take preferably at bedtime or as directed by a doctor. Shake Well Before Using.
