

KIEHLS ULTRA LIGHT DAILY UV DEFENSE SUNSCREEN- drometrizole trisiloxane, octinoxate and ecamsule lotion
L'Oreal USA Products Inc.

Drug Facts

Directions

Apply in the morning at the end of your daily skincare routine. Avoid eye area. In case of contact with eyes, rinse immediately and thoroughly.

Over-exposure to the sun is dangerous. Keep babies and young children out of direct sunlight. Do not stay too long in the sun, even while using a sunscreen product because it does not provide you 100% protection. Apply the sunscreen product just before sun exposure. Re-apply frequently and generously to maintain protection, especially after swimming, perspiring or toweling.

Kiehl's Dermatologist Solutions are highly advanced targeted treatments developed by Kiehl's Since 1851. Relying on our extensive pharmaceutical knowledge, Kiehl's chemists partner with a team of dermatologists to deliver powerful, yet safe skincare solutions.

Our daily, ultra light formula intensely moisturizes the skin and utilizes efficacious levels of an advanced sun filter system to provide skin with broad spectrum protection against UVB and short and long length UVA rays. This gentle, oil-free lotion helps protect against sunburn and the appearance of premature skin aging (dark spots, wrinkles, and sun spots). This lightweight lotion is fast-absorbing and leaves skin with a matte finish. Formulated with Vitamin E, this lotion helps reinforce the skin's natural protection against damaging free radicals. Dermatologist tested for sensitive skin.

DIRECTIONS: Apply in the morning at the end of your daily skincare routine. Avoid eye area. In case of contact with eyes, rinse immediately and thoroughly.

Over-exposure to the sun is dangerous. Keep babies and young children out of direct sunlight. Do not stay too long in the sun, even while using a sunscreen product because it does not provide you 100% protection. Apply the sunscreen product just before sun exposure. Re-apply frequently and generously to maintain protection, especially after swimming, perspiring or toweling.
