

RIVERSOL COMPREHENSIVE ACNE TREATMENT- salicylic acid lotion

Riversol Skincare Solutions Inc

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Medicinal Ingredient / Ingrédient médicinal:

Salicylic acid (acide salicylique).... 1.2%

Directions:

Clean the skin thoroughly • For new users: Apply to a small area once daily for 3 days to test for sensitivity. If no discomfort occurs, dispense 2 pumps from each side. • Thoroughly blend the product and cover the affected area 1-3 times daily. • If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Warnings:

External use only. • Irritation and dryness are more likely if you use another topical acne product at the same time. If irritation occurs, use only one product. • Avoid contact with eyes. If contact occurs, flush thoroughly with water. • Keep out of reach of children. • If swallowed, or if you develop hives, swelling of eyes or mouth, blistering, or difficulty breathing get medical help or contact a poison control center right away.

Drug Facts

Medicinal Ingredient / Ingrédient actif:
Salicylic acid (acide salicylique)...1.2%

Directions: Clean the skin thoroughly • For new users: Apply to a small area once daily for 3 days to test for sensitivity. If no discomfort occurs, dispense 2 pumps from each side. • Thoroughly blend the product and cover the affected area 1-3 times daily. • If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Mode d'emploi: • Appuyer deux fois sur le flacon distributeur et bien mélanger le contenu dans la paume de la main bien propre. • Nouveaux utilisateurs : Appliquez sur une petite zone, une fois par jour durant 3 jours, pour tester la sensibilité. S'il n'y a pas d'inconfort, pompez deux fois de chaque côté. • Mélangez soigneusement et appliquez 1 à 3 fois par jour. • Si la peau pèle ou s'assèche au point que cela devienne inconfortable, diminuez le nombre d'application à une fois par jour ou tous les deux jours.

Warnings: External use only. • Irritation and dryness are more likely if you use another

topical acne product at the same time. • If irritation occurs, use only one product. • Avoid contact with eyes. If contact occurs, flush thoroughly with water. • Keep out of reach of children. • If swallowed, or if you develop hives, swelling of eyes and mouth, blistering, or difficulty breathing get medical help or contact a poison control center right away.

Mises en Garde: Pour un usage externe seulement. • Lorsque vous utilisez ce produit, il est plus probable que la peau s'assèche et s'irrite si vous utilisez un autre médicament topique contre l'acné en même temps. Si de l'irritation se produit, n'utilisez qu'un seul médicament topique contre l'acné à la fois. • Évitez le contact avec les yeux. • Si un contact survient, rincez abondamment avec de l'eau. • Tenez hors de portée des enfants. • Si vous ingérez du produit, obtenez immédiatement des soins médicaux ou appelez un centre anti-poison. • Obtenez immédiatement des soins médicaux si le produit vous donne de l'urticaire, si vous avez les yeux et la bouche qui enflent, si vous présentez des boursouffures ou si vous avez des difficultés à respirer. Cessez l'utilisation et consultez un médecin si votre peau devient extrêmement irritée ou si vous éprouvez une sensation de brûlure ou de démangeaisons. Garder hors de la portée des enfants. En cas d'ingestion, obtenir des soins médicaux immédiatement.
