

FIFTHPULSE CLOTRIMAZOLE ANTIFUNGAL- clotrimazole ointment
WeCare Products LLC

FifthPulse Clotrimazole Antifungal Cream

Drug Facts

Active ingredients

Clotrimazole USP 1% w/w

Purpose

Antifungal

Uses

- Cures athlete's foot (tine pedis) , jock itch (tines cruris), and ringworm (tinea corporis).
- Relieves the itching, irritation, redness, scaling and discomfort which can accompany these conditions.

Warnings

For external use only.

Do not use

on children 2 years of age unless directed by a doctor.

When using this product

avoid contact with eyes.

Stop use and ask a doctor if

- Irritation occurs
- There is no improvement within 4 weeks (for athlete's foot or ringworm) or within 2 weeks (for jock itch).

Keep this and all drugs out of reach of children.

In case of accidental ingestion, seek professional assistance or contact a Poison Control Center right away.

Directions

- Wash the affected area and dry thoroughly.
- Apply a thin layer over affected area twice daily (morning and night), or as directed by a doctor.

- Supervise children in the use of this product.
- For athlete's foot, pay special attention to the spaces between the toes; wear well-fitting ventilated shoes, and change shoes and socks at least once daily.
- For athlete's foot and ringworm, use daily for 4 weeks. For jock itch, use daily for 2 weeks.
- If condition persists longer, consult a doctor.
- This product is not effective on the scalp or nails.

Other information

- Store at controlled room temperature 15° to 30° C (59° to 86°F)
- Close cap tightly after use.
