

VIABECLINE- tetracycline hydrochloride ointment
Accuria, LLC

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Viabecline

Activer Ingredient (in each gram)

Tetracycline Hydrochloride 30 mg

Purpose

First Aid Antibiotic

Use

First aid to help prevent skin infection in minor cuts, scrapes, and burns.

Warnings

For external use only. May be harmful if swallowed.

Allergy Alert: Do not use if allergic to any ingredient listed on this label.

Do not use

- in the eyes
- over large areas of the body
- longer than 1 week unless directed by a doctor

Ask doctor before use if you have

- deep or puncture wounds
- animal bites
- serious burns

Stop use and ask a doctor if the condition persists or gets worse.

Keep out of reach of children. If swallowed, get medical help or contact a poison Control Center right away.

Directions

- Clean the affected area
- Apply a small amount of this product (an amount equal to the surface area of the tip of a finger) on the area 1 to 3 times daily.
- May be covered with a sterile bandage.

Other information

- Keep product refrigerated to preserve its effectiveness and color
- Stop use if the product is misused: If the bottle is left open and or not refrigerated, the liquid will tend to turn black over time. Discard the product if the liquid turns black due to misuse.
- This product is an OTC antibiotic for human use.

- Contains no alcohol, no animal ingredients.
- Blended for typical skin color.
- May stain cloth.
- No claims regarding stem cell healing are implied for this product.
