- For children under 6 months of age: Ask a doctor

Other Information

Sun alert: Limiting sun exposure, wearing protective clothing, and using sunscreen may reduce the risk of skin aging, skin cancer, and other harmful effects of the sun

tourist[®] spf30

sun protection lotion

You just got off the plane and the sun is hot and scorching. But you don't want to wear heavy sunblock because going home pale isn't a good way to show off your trip to a faraway island. But let's be realistic, if you wear less than **SPF 30** you'll be burned and hurting. Our **TOURIST** level lotion is the protection you require as you snap pictures and sip tropical drinks!
