Uses

- Helps prevent sunburn
- If used as directed with other sun protection measures (see **Directions**), decreases the risk of skin cancer and early skin aging caused by the sun

Warnings

For external use only.

Do not use on broken skin.

When using this product avoid contact with the eyes. If contact occurs, rinse thoroughly with water.

Stop use and ask a doctor if rash occurs.

Keep out of reach of children. If swallowed, call a poison control centre or get medical help right away.

Directions

Adults and children over 6 months of age:

- Apply liberally to face and body 15 minutes before sun exposure
- Reapply at least every 2 hours
- Use a water-resistant sunscreen if swimming or sweating
- Sun protection measures. Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a broad spectrum SPF value of 15 or higher and other sun protection measures including:
- Limit time in the sun, especially from 10 am - 2 pm
- Wear long-sleeved shirts, pants, hats and sunglasses

Other information

- Protect this product from excessive heat and direct sun.
- May stain some fabrics
