DIRECTIONS FOR DISPENSING: Cut small "V" out of the bag and pull Styrofoam® core out of the center of the roll. Pull the first towel from the center of the roll approximately 6 to 8 inches. Place bag in the dispenser and at the same time feed the first towel through the opening on the dispenser.

DISPOSAL: Offer empty container for recycling. If recycling is not available, discard container in trash. Discard towel in trash after use. Do not flush.

CAUTION:

May irritate eyes. See side panel for further precautions and first aid instructions.
