Scape SPF 30+ Athlete Sunblock

Dr. Nic Martens - a biochemist and athlete - developed SCAPE Athlete Sunblock to address the protection and performance needs of athletes. The formula's engineered polymers bond to skin for long lasting waterproofing and sweatproofing that won't run into your eyes. SCAPE Athlete Sunblock provides superior UVA + UVB protection in a non-greasy, noncomedogenic formula that allows you to maintain optimal core body temperature and lets your skin breathe naturally.

Directions: Apply evenly to cool, dry skin 10 minutes before activity or sun exposure. Reapply as needed. Rinse with soap and water to remove.

Warnings: For external use only. Keep out of eyes. Discontinue use if signs of irritation or rash appear. Use on children under 6 months of age only with advice of a physician. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

Active Ingredients:

Avobenzone 3%, Homosalate 15%, Octocrylene 6%, Oxybenzone 6%

Inactive Ingredients:

Water (Aqua), Styrene/Acrylates Copolymer, Butyloctyl Salicylate, Octyldodecyl Neopentanoate, Potassium Cetyl Phosphate, VP/Eicosene Copolymer, Silica, Cyclopentasiloxane, Trimethylsiloxysilicate, Tocopherol, Dipotassium Glycyrrhizate, Stearic Acid, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Aminomethyl Propanol, Disodium EDTA, Caprylyl Glycol, Phenoxyethanol, Methylparaben, Propylparaben, Fragrance (Parfum)
