Anti-Acne Soap Natural Volcanic Sulfur 10%

Drug Facts

Active Ingredients

Precipitated Sulfur 10%

Purpose

Acne medication

Use

for the treatment of acne.

Warnings

For external use only

When using this product

- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs , only use one topical acne medication at a time.
- Apply only to areas with acne.
- Do not use on broken skin.
- Do not use on large areas of skin.
- Do not get into eyes. If excessive skin Irritation develops or increases, discontinue use and consult a doctor.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center immediately.

Directions

- Work up a lather using warm water and apply to affected area.
- Rinse thoroughly and pat dry.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. If

bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Inactive ingredients

Saponified Palm and Palm Kernel Oil, Lanolin, Fragrance, Coconut Fatty Acid Diethanol Amide, Salicylic Acid 0.25%, Glycerin, Titanium Dioxide.
