

## **RECTAL CARE CREAM REVIVOL- lidocaine 5% cream**

### **Derma Care Research Labs**

-----

#### **Rectal Care**

Lidocaine 5.0%

Local Anesthetic

#### **Uses**

Helps relieve the pain, itching, and burning associated with hemorrhoids and other anorectal disorders.

#### **For external use only.**

**When using this product** avoid contact with eyes, do not exceed recommended dosage unless directed by a doctor, do not put this product into the rectum by using fingers or any mechanical device or applicator.

**Stop use and ask a doctor if** rectal bleeding occurs, condition worsens or does not improve within 7 days, allergic reaction occurs to ingredients in this product, symptom being treated does not subside or if redness, irritation, swelling, pain or other symptoms develop or increase, or symptoms clear up and return within a few days.

**Keep out of reach of the children.** If swallowed, get medical help or contact a Poison Control Center right away.

- When practical, clean area with mild soap and warm water and rinse thoroughly. Gently dry by patting or blotting with toilet tissue or a soft cloth before applying.
- Adults and children 12 years and older: apply externally to the affected area up to 6 times a day.
- Children under 12 years of age: consult a doctor.
- To use finger cots: roll one finger cot over a finger. Gently squeeze cream onto finger cot. Smooth a layer of the cream over the affected area

Aloe Barbadensis Leaf Extract, Benzyl Alcohol, Carbomer, Cholesterol, Hydrogenated Lecithin, Isopropyl Myristate, Polysorbate 80, Propylene Glycol, Tocopheryl Acetate, Triethanolamine, Water
