Medicated Apricot Scrub

041

Active ingredient

Salicylic acid 2%

Purpose

Acne medication

Use

for the treatment of acne

Warnings

For external use only

When using this product

skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- moisten face with water. Apply product with wet fingertips and massage over face. Rinse well and pat dry.
- avoid contact with the eyes. If contact occurs, flush thoroughly with water.

Other information
