HAND and SKIN SANITIZER
SAFE HAND CLEAN GEL

Over 70% of infectious diseases and food poisoning are transmitted by hands. Keeping your hands clean is the basis for staying away from infection and maintaining a healthy lifestyle. It cleans contaminated skin and keeps it healthy and clean. It is a gel type that is easy to use and contains moisturizing ingredients to keep the skin moist.

Use the following cases

- Research institutes and hospital workers
- After using public products (shopping cart, public transportation, etc.)
- Clerks and bankers
- Children after outdoor activities and after going out
- Before and after meals / after chores
- Before and after baby care
- After touching the contaminants
- When the amput or foot smell is severe

(How to use) Take an appropriate amount on your hand and rub it well to dry.

(Caution)

- Keep away from fire or flame
- Avoid contact with eyes
- If skin irritation occurs, discontinue use
- For external use only
- Keep out of reach of children
