

THEOG- zinc oxide lotion Spoooge

TheOG

Drug Facts

Active ingredients

Zinc Oxide 22%

Purpose

Sunscreen

Uses

- Helps prevent sunburn.
- If used as directed with other sun protection measures (see ***Directions***), decreases the risk of skin cancer and early skin aging caused by the sun.

Warnings

For External Use Only

Do not use on damaged or broken skin.

When using this product, keep out of eyes. Rinse with water to remove.

Stop use and ask a doctor if rash occurs.

Keep out of reach of children. In case of ingestion, get medical help or contact a poison control center. Children under 6 months of age- ask a doctor.

Directions

- Apply liberally 20 min before sun exposure and at least every two hours. Otherwise, use a water resistant sunscreen if swimming or sweating.

Sun Protection Measures: Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with broad spectrum SPF 15 or higher and other sun protection measures including:

- limit time in the sun, especially from 10am-2pm
- wear long sleeved shirts, pants, hats and sunglasses

Other information

- Protect the product in this container from excessive heat and direct sun.

Inactive ingredients
