sebum clearing masque

Soothing clay masque helps clear breakouts and minimize premature signs of skin aging. Oil-absorbing clays help detoxify skin as Salicylic Acid clears pore congestion. Calming botanicals such as Oat and Bisabolol help soothe aggravation brought on by breakouts. Safflower Oil helps counter fine dehydration lines. This masque, which contains Licorice and Niacinamide, also helps even skin tone.

Masque à l'argile apaisant qui aide à éliminer les éruptions et à réduire les signes de vieillissement prématurés. L'argile, qui absorbe l'huile, aide à détoxifier la peau tandis que l'acide salicylique réduit la congestion des pores. Les ingrédients botaniques apaisants comme l'avoine et la bisabolol aident à calmer l'irritation provoquée par les éruptions cutanées. L'huile de carthame contribue à lutter contre les ridules de déshydratation. Ce masque, qui contient aussi de la réglisse et de la niacinamide, favorise un teint uniforme.
