

LOREAL PARIS YOUTH CODE DARK SPOT CORRECTOR BROAD SPECTRUM SPF 30 SUNSCREEN- avobenzone, homosalate, octisalate, and octocrylene cream
L'Oreal USA Products Inc

Drug Facts

Active ingredients

Avobenzone 3%

Homosalate 5%

Octisalate 5%

Octocrylene 7%

Purpose

Sunscreen

Uses

- helps prevent sunburn
- if used as directed with other sun protection measures (see **Directions**), decreases the risk of skin cancer and early skin aging caused by the sun

Warnings

For external use only

Do not use

on damaged or broken skin

When using this product

keep out of eyes. Rinse with water to remove.

Stop use and ask a doctor if

rash occurs

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

For sunscreen use:

- apply liberally 15 minutes before sun exposure
- reapply at least every 2 hours
- use a water resistant sunscreen if swimming or sweating
- **Sun Protection Measures.** Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including:
 - limit time in the sun, especially from 10 a.m. – 2 p.m.
 - wear long-sleeved shirts, pants, hats, and sunglasses
 - children under 6 months of age: Ask a doctor

Other information

protect the product in this container from excessive heat and direct sun

L'ORÉAL PARIS

Why is Youth Code™ Dark Spot Corrector Day Cream right for me?

Daily UV exposure and age result in dull, uneven skin tone and the appearance of discolorations:

- Dark spots
- Signs of sun damage
- Age spots
- Post-acne marks

Scientifically developed for a wide spectrum of skin tones and types.

EVEN SKIN TONE DISCOVERY

L'Oréal Scientists have identified specific biological actions that are responsible for discolorations, contributing to skin's unevenness and dullness.

BrightActive TECHNOLOGY

Works on skin's surface to help correct and **fade dark spots**, resulting in a **dramatically more even skin tone***. Broad Spectrum SPF 30 protects skin when used as directed (see **Directions**). Vibrant with a youthful look, skin appears **luminous** as if lit from within.

SEE VISIBLE RESULTS

Immediately

- skin is smoother
- skin is visibly more **luminous**

1 Week

- skin's overall appearance is improved

4 Weeks

- dark spots, age spots, and post-acne marks are **faded**

8 Weeks

- skin's evenness and luminosity are recaptured
- discolorations are dramatically **diminished**

*This formula, containing Chestnut Extract, HEPES and Pro-Cysteine, is shown to help fade dark spots.
