

# **FUNGI NAIL TOE AND FOOT- tolnaftate solution**

## **Kramer Laboratories**

-----

### **Drug Facts**

<b>Active Ingredient</b>	<b>Purpose</b>
Tolnaftate 1%	Anti-fungal

**Uses** ■ Proven effective in the treatment of most athlete's foot (tinea pedis) and ringworm (tinea corporis) ■ Helps prevent most athlete's foot with daily use ■ For effective relief of itching, burning and cracking.

### **Warnings**

**For external use only.**

**Do not use** on children under 2 years of age unless directed by a doctor.

**When using this product** ■ avoid contact with eyes.

**Stop use and ask a doctor if** ■ irritation occurs ■ there is no improvement within 4 weeks.

**KEEP THIS AND ALL MEDICATION OUT OF THE REACH OF CHILDREN.**

In case of accidental ingestion, contact a physician, emergency medical care facility or Poison Control Center immediately for advice.

### **Directions:**

■ Clean affected areas with soap and warm water and dry thoroughly. ■ Apply a thin layer of Fungi-Nail® Anti-Fungal Liquid over affected area twice daily (morning and night) or as directed by a doctor. ■ Wear well-fitting, ventilated shoes, and change shoes and socks at least once daily. ■ For athlete's foot pay special attention to spaces between the toes. ■ For athlete's foot and ringworm, use daily for 4 weeks. For toe fungus, apply under nail and around cuticle area. If condition persists longer, consult a doctor. ■ To prevent athlete's foot, apply once or twice daily (morning and/or night). ■ This product is not effective on the scalp or nails. ■ Supervise children in the use of this product.

### **Other information**

Store at room temperature 15°-30°C (59°-86°F). Protect from freezing. If freezing occurs warm to room temperature.

### **Inactive ingredient**
