Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, click here.

Store it in a cool and dry place under room temperature of 25°C, and avoid direct sunlight.

Water

Spray evenly, on the required body part, and let it dry naturally. Spray on the clothes and coats after coming back home from the outside. Fruits and vegetables should be washed after 60-second spray. After spraying the surface of items for 60 seconds, wipe it with a dry cloth, or let it dry naturally. Washing-free. Part of furniture, kitchen, and bathroom can be properly sprayed, no need to flush. It will naturally volatilize, killing the bacteria and remove the smell

Micro Acid Hypochlorite Disinfectant

keep out of children

No wash no poison

No harmful residue

No pungent smell

Store it in a cool and dry place under room temperature of 25°C, and avoid direct sunlight. Please use it up within 3 months after the first use in the validity period.
