

**LA ROCHE POSAY LABORATOIRE DERMATOLOGIQUE TOLERAINÉ DOUBLE
REPAIR MATTE MOISTURIZER UV BROAD SPECTRUM SPF 30 FOR OILY,
COMBINATION SKIN- avobenzone, homosalate, octisalate and
octocrylene cream
L'Oreal USA Products Inc**

Drug Facts

Active ingredients

Avobenzone 3%

Homosalate 5%

Octisalate 5%

Octocrylene 7.2%

Purpose

Sunscreen

Uses

- helps prevent sunburn
- if used as directed with other sun protection measures (see ***Directions***), decreases the risk of skin cancer and early skin aging caused by the sun

Warnings

For external use only

Do not use

on damaged or broken skin

When using this product

keep out of eyes. Rinse with water to remove.

Stop use and ask a doctor if

rash occurs.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

For sunscreen use:

- apply generously 15 minutes before sun exposure
- reapply at least every 2 hours
- use a water resistant sunscreen if swimming or sweating
- **Sun Protection Measures.** Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including:
 - limit time in the sun, especially from 10 a.m. - 2 p.m.
 - wear long-sleeved shirts, pants, hats and sunglasses
 - children under 6 months of age: Ask a doctor

Other information

- protect the product in this container from excessive heat and direct sun
- store at 20°-25°C (68° to 77° F)

Inactive ingredients

water, glycerin, dimethicone, silica, niacinamide, glyceryl stearate, PEG-100 stearate, pentyleneglycol, dicaprylyl carbonate, steareth-100, stearic acid, ceramide NP, dimethicone/vinyl dimethicone crosspolymer, myristic acid, perlite, palmitic acid, ammonium polyacryloyldimethyl taurate, capryloyl salicylic acid, caprylyl glycol, citric acid, trisodium ethylenediamine disuccinate, xanthan gum, tocopherol, phenoxyethanol

LA ROCHE-POSAY DERMATOLOGICAL EXPERTISE
10 YEARS OF RESEARCH.
13 CLINICAL STUDIES.
IN PARTNERSHIP WITH DERMATOLOGISTS.

Our dermatological research in skin health has demonstrated the importance of a healthy microbiome.

The microbiome is the population of microorganisms found at the skin surface. Prebiotics can feed the microbiome.

PREBIOTIC SKINCARE
Toleriane Double Repair Matte Moisturizer UV is formulated with a high concentration of La Roche-Posay prebiotic thermal water and carefully selected skincare ingredients.

THE POWER OF A UNIQUE WATER
La Roche-Posay prebiotic thermal water has been used in Europe's leading center of thermal dermatology since 1905. Its unique mineral diversity and high content in Selenium, an essential trace element naturally found in skin, provides demonstrated skincare benefits.

OILY SKIN INNOVATION RESTORES HEALTHY LOOKING SKIN

TOLERIANE DOUBLE REPAIR MATTE MOISTURIZER UV

BROAD SPECTRUM SPF 30
FOR OILY, COMBINATION SKIN

Dermatologist tested for safety - suitable for sensitive skin
Helps protect & helps reduce visible shine

NON COMEDOGENIC - FRAGRANCE FREE
CERAMIDE-3 + NIACINAMIDE
LA ROCHE-POSAY
PREBIOTIC THERMAL WATER

100 ml - 3.38 FL.OZ.

PROPERTIES.

A lightweight moisturizer with Broad Spectrum SPF 30 sunscreen protection that is designed for oily, combination skin. This mattifying, lightweight cream with Ceramide-3, Niacinamide, and oil-absorbing powders Perlite and Silica, helps replenish essential moisture and minimize shine. Non-greasy, it leaves skin feeling hydrated and smooth.

This dual-action moisturizer:

1. Replenishes essential moisture
2. Helps strengthen skin's natural moisture barrier

Skin's natural barrier helps protect against potentially harmful aggressors. A weakened skin barrier can contribute to visible or invisible signs of skin sensitivity such as dryness, roughness, redness or tightness.

Synergistic combination of UVA/UVB filters helps to protect against sun damage.*

APPLICATION.

Apply to the face and neck and allow to dry completely. Suitable for use underneath makeup or alone. Reapply as directed.

RESULTS.

- Reduces visible shine
- Reduces appearance of pores
- Provides all-day hydration
- Helps strengthen skin barrier
- Provides Broad Spectrum UV sunscreen protection

DERMATOLOGIST TESTED - SAFE FOR SENSITIVE SKIN.

A strict formulation charter with a limited number of ingredients carefully selected to be:

- FREE OF DRYING ALCOHOLS
- FRAGRANCE-FREE
- NON COMEDOGENIC (WON'T CAUSE BREAKOUTS)
- ALLERGY TESTED
- PARABEN-FREE

*when used as directed with other sun protection measures
