Active Ingredients

Ethanol 70%

Uses

■ sterilization of hands and skin

Warning

1. Do not use in any of the following body parts.

Eyes and ears, extensive body parts in the oral cavity and damaged skin (stimulation may occur)

2. If the following symptoms occur, immediately stop using it and consult a doctor or pharmacist.

1) In case of hyper-sensitive symptoms such as rash, redness, itching, edema, etc.

2) In case of skin irritation symptoms

3. Other precautions for use

1) For external use only (do not wear underwear)

2) Be careful not to get in your eyes. If you go in, wash it off with clean water and consult a doctor or pharmacist.

3) Be careful not to inhale steam when used extensively or for a long period of time (If ethanol vapor is consumed in large quantities or repeatedly, irritation, headaches, etc. of the mucous membrane may appear).

4) In case of repeated use in the same area, care should be taken as it may cause skin irritation due to skim.

5) Do not use it because it may cause irritation when used in a sealed band, cast band, pack, etc.

6) Do not use this medicine for anus or vaginal steaming because it can cause irritation or chemical burns.

7) Do not use it for any purpose other than its intended use.

4. Archive Precautions

1) Avoid fire and store it in a light.

2) Keep it out of reach of children, and if a child swallows it, he or she goes to the hospital immediately.

3) Close the product completely with a lid to prevent dryness or foreign substances from entering the product.

4) Taking it out of the original container and storing it in another container may cause an accident or deterioration due to misuse, so store it in the original container.

Direction

Sprinkle or remove an appropriate amount on your hands and rub them well to dry.
