Moisturizers leave hands smooth
With Vitamin and Aloe

1 oz

[Product Name] ZERO HAND SANITIZER

[Feature] As a hand sanitizer of aloe gel type containing 70% ethanol, it removes impurities such as germs, dust and foreign substances on the skin and keeps the skin clean and healthy by developing it in an aloe gel form, you can feel moisturizing, smoothing, and refreshing at the same time.

[Efficacy, Effect] Sterilization of hands and skin, etc. [Ingredients] Ethanol, Water, Carbomer, Glycerin, Aloe Extract, Tocopheryl Acetate, Disodium EDTA.

[How to use] Put a suitable amount on your hand and rub it well to dry.

[Precautions in use] 1. Do not use it in the following cases. Around the eyes and ears, a wide range of body parts in the mouth and damaged skin (irritation may occur). 2. If the following symptoms appear, stop using them immediately and see a doctor. 1) In case of hypersensitivity such as rash, erythema, itching, edema, etc. 2) In case of skin irritation symptoms. 3. Other precautions when using this drug: 1) Use it only for external use. (Do not use internally.) 2) Be careful not to get into the eye. If it gets in the eye, wash it well with clean water and see your doctor. 3) Be careful of inhalation of vapor if used extensively or for long periods of time. (If ethanol vapor is inhaled in large quantities or repeatedly, it may occur headache and irritating on the mucous membrane.) 4) Be careful when using repeatedly on the same area as the skin may become rough due to degreasing. 5) When used in sealed bandages, cast bandages, packs, etc., irritation symptoms may appear. 6) Do not use this medicine for anal or vaginal steaming as it may cause irritation or chemical burns. 7) Do not use except for any other purpose.
