

# **GOLDESSENCE DISINFECTING WIPES- benzalkonium chloride cloth**

## **Hangzhou Glamcos Biotech CO.,LTD**

-----

### **Active Ingredient(s)**

Benzalkonium Chloride 0.3%

### **Purpose**

Antiseptic

### **Use**

To clean and decrease bacteria and germs on skin and surfaces.

### **Warnings**

Keep container tightly sealed, avoid contact with eyes, wash hands after handling, not for use on broken or sensitive skin, stop use if skin irritation develops, flush eyes immediately if product enters eyes. Keep away from heat and flame. Call a poison control center or doctor for treatment advice. Have the product container label with you when calling a poison control center or doctor, or going for treatment.

Keep out of reach of children and pets.

### **Directions**

Remove cover. Pull up wipe corner from center of roll. Thread through hole in the cover. Replace cover. Open center cap on cover to remove wipe. When not using, close center cap securely to prevent moisture loss.

Unfold wipe to wipe down surface or hands. Dispose wipe after each use. Let air dry. If surfaces are extremely dirty, clean first with another wipe before disinfecting.

### **Other information**

Do not flush.

Rinse toys or food with clean water after disinfecting.

Do not use as a diaper wipe or on sensitive skin.

Do not use on unpainted wood.

Do not use to disinfect dishes, glassware or utensils.

Storage and disposal: Store in original container in areas inaccessible to children. Keep securely closed. Do not reuse or refill this container. Discard empty container in trash or recycle.

Perfect to wipe away tough messes while leaving a refreshing scent behind. Our disinfecting wipes get rid of dirt and grime on hand, arms, legs, and most surfaces in your home or office while wiping away 99.9% of germs and bacteria. Formulated to be gentle

on skin without alcohol, dyes, parabens or harsh chemicals, they can be used safely on your skin and most washable non-porous surfaces such as bathroom fixtures, countertops, doorknobs, electronics and appliances. Thoroughly clean and disinfect by wiping areas until visibly wet, allow to remain wet for 10 minutes, then air dry. Keep a container of wipes in your closet for daily household messes, keep some in your car for emergency clean up and when washing your hands with soap and water is not an option.
