- Do not use for deep or puncture wounds, animal bites, or serious burns.
- In case of accidental contact with eyes, flush with water and immediately seek professional help.
- **Keep out of the reach of children.**
- Each applicator is designed for one person, single use.
- **If pregnant or breastfeeding**, ask a health professional before use.
- Consult a physician if bleeding persists for longer than 30 minutes.
- Consult a physician if symptoms persist for more than 7 days or worsen.
- Do not use if seal is broken.
- Children under 6 years of age: consult a physician before use.
- In case of overdose, get medical help or contact a Poison Control Center immediately.

Directions

Adults and children 6 years and older:

1. Peel back tab on package to expose swab.
2. Remove swab from package.
3. Blow nose gently to remove excess blood from nasal passage.
4. Apply swab to affected area in nasal passage.
5. Pinch nostril with swab in place (tilt chin slightly downward).

6. Keep swab in place for 1 minute.
7. Remove swab and gently blow out excess blood from nostril.
8. If bleeding persists, twist swab ½ turn and reinsert for 1-2 minutes or until bleeding stops.
9. Dispose of swab after use.

Inactive Ingredients

aloe vera, citric acid, glycerin, hydroxyethyl-cellulose, polysorbate 20, potassium sorbate, purified water, sodium benzoate, sodium chloride
