**Perox 102**

**Perox 102**

**Perox-102™** is a 1.0% sanitizing peroxide teat dip that can be dipped, sprayed or foamed. Foaming equipment provided by ProActive Solutions USA, LLC is recommended to achieve the best foaming dip.

**use instructions:**

Before milking, dip or spray entire teat with **Perox-102™** solution. Wipe teats dry after dipping and/or spraying. Teats should be thoroughly washed and dried before milking using potable water, a suitable cleanser and individual towels to prevent contamination of milk.

**Caution:**

Do not mix **Perox-102™** with any other teat spray, teat dip or other teat products. **Perox-102™** is not intended to cure or help the healing of chapped or irritated teats. In case of teat irritation or chapping, have the condition examined.

**Caution:**

**Hazard statement(s):**

May be harmful if swallowed. May cause eye irritation.

**Precautionary statement(s):**

Do not eat, drink or smoke while using this product. Wear protective clothing, and eye and face protection.

**Hazards not otherwise classified:** None Known

**First Aid:**

**External:** If irritation occurs, flush with plenty of cool, running water for at least 15 minutes while removing contaminated clothing and shoes. Wash clothing before reuse.

**Eyes:** Immediately flush with plenty of cool, running water. Remove contact lenses; then continue flushing for at least 15 minutes, holding eyelids apart.

**Internal:** Call a physician immediately. If swallowed, do not induce vomiting. Rinse mouth, then immediately drink one or two large glasses of water or milk. Never give anything by mouth to an unconscious person.

**Inhalation of vapors:** Should not occur with proper use of this product.

**Most important symptoms/effects, acute and delayed:** None known

**Immediate medical attention and special treatment needed, if any:** None known

**Perox 102**
