Active Ingredient

Capsaicin (Nonivamide) 0.23%

Purpose

Topical Analgesic

Uses

For the temporary relief of minor aches and pains of muscles and joints associated with: simple backache, arthritis, strains, bruises, and sprains.

Warnings

For external use only

Do not use

If you are allergic to any ingredients of this product or chili peppers contact a doctor before use (allergy alert)

On wounds or to damaged skin

With, or at same time as, other external analgesic products

With a heating pad

When using this product

- You may experience a burning sensation which is normal and related to the way the product works (with regular use, this sensation generally diminishes)
- Do not use immediately before or after activities such as swimming, showering, sunbathing or intense exercise
- Use only as directed
- Avoid contact with eyes and mucous membranes or rashes

Stop use and ask a doctor if

- Condition worsens, symptoms persist more than 7 days or clear up and occur again within a few days
- Rash, itching or excessive skin irritation develops

If pregnant or breastfeeding

Consult a healthcare professional before use

Keep out of reach of children

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Clean and dry affected area
- Remove sleeve from packaging and place on wrist
- Maximum use of 8 hours per day (remove after 8 hours of wear)
- Wash separately from other clothing
- Do not wear more than 6 days straight without doctor consent
