helps prevent recurrence of flaking and itching associated with dandruff on scalp

- For external use only
- Seek medical attention if rash, inflammation, itchiness or other symptoms appear during use of the product or after exposure to direct sunlight.
- Do not use on open wounds
- Storage and handling precaution

1. Keep out of reach of children
2. Store away from direct sunlight

- Do not use on children under 3 years of age.
- Rinse your eyes with water if they are exposed to the product.
- Those who have had allergic symptoms should consult a doctor and pharmacist before use.
- Those who are hypersensitive to salicylic acid or have diabetes, blood circulation disorders, kidney failure, infection, redness, etc., and who are on their period, are pregnant or may be pregnant should not use it because the current symptoms are likely to worsen after use, such as hypersensitive skin or body or an abnormal skin reaction (edema, inflammation, etc.).

**KEEP OUT OF REACH OF CHILDREN**

For external use only

Shake the product thoroughly before use, apply an appropriate amount evenly on the scalp, and rub it with your fingers to absorb it as if massaging.
