682 rev20120501

These unique wipes provide broad spectrum antimicrobial properties to sanitize hands without requiring water or a rinse. They are formulated with Aloe and Vitamin E to minimize drying or irritation of skin. These hand sanitizer wipes will reduce the chance of food contamination, and cross contamination or infection caused by germs. The convenient waterless application is ideal for use when water is not available.

**APPLICATION**  
Convenient-safe-effective-fast!

**AREAS OF USE:**

- Office
- Healthcare
- Foodservice
- Health clubs
- Schools
- Supermarkets
- Retail Stores
- Childcare

Other applications where soap and water are not available
