KleenSweep Antibacterial Wipes

Antibacterial wipes kill 99.9% of germs and help prevent the spread of bacterial. They remove dirt, providing a better clean than sanitizers. They are ideal for quick clean-ups after contact with germs, sticky food, greasy dirt, and everyday messes. Antibacterial wipes are formulated to be tough on dirt and germs, yet gentle on skin. Help keep your family healthy and clean anytime and anywhere when soap and water are not available.

The ingredients are as follows:

Benzalkonium Chloride :0.1%

Glycerin :0.1%

Ethylhexylglycerin :0.1%

Phenoxyethanol:0.5%

Didecyltrimethylammonium Chloride :0.2%

Alcohol:10%

Propylene Glycol :0.1%

Water :88.9%.

Active Ingredient(s)

Benzalkonium Chloride 0.135%

Purpose

Antiseptic, Wipes

Use

Pre-moistened towelettes that contain a sanitizing or disinfecting formula that kill or reduce germs on surfaces and skin

Warnings

Liquid may cause irritation to the eyes. Prolonged or repeated contact may dry skin and cause irritation and sensitization. Harmful if swallowed.

Do not use

- Skin Contact: Skin irritation is not expected. Should irritation develop, discontinue use. Wash affected skin

thoroughly with soap and water. Get medical attention if irritation or other symptoms develop or persist.

- Eye Contact: Immediately flush eyes with plenty of water for at least 15 minutes, lifting lower and upper eyelids

occasionally. Get medical attention if irritation persists.

- Inhalation: Normal use of this product does not pose an inhalation hazard. Should respiratory tract irritation

develop, discontinue use and remove to fresh air. Get medical attention if irritation or other symptoms persist or develop.

- Ingestion: Seek medical attention immediately. Never give anything by mouth to an unconscious person. DO

NOT induce vomiting. If vomiting occurs, keep head below hips to prevent aspiration of liquid into lungs.

- Skin Contact: Skin irritation is not expected. Should irritation develop, discontinue use. Wash affected skin

thoroughly with soap and water. Get medical attention if irritation or other symptoms develop or persist.
