-----

**nuvik ANTIBACTERIAL HAND Wipes**

***Drug Facts***

***Active Ingredient***

Benzalkonium Chloride 0.13%

***Purpose***

Antimicrobial

***Use***

For hand cleaning to decrease bacteria on skin.

***Warnings***

**For external use only**

**Do not use** if you are allergic to any of the ingredients

**When using this product** do not get into eyes. If contact occurs, rinse thoroughly with water.

**Stop use and ask a doctor** if irritation or rash develops and continues for more than 72 hours

**Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away.

***Directions***

adults and children 2 years and over	<ul style="list-style-type: none"><li>▪ apply to hands</li><li>▪ allow to dry without wiping</li></ul>
children under 2 years	<ul style="list-style-type: none"><li>▪ ask a doctor before use</li></ul>

**To Dispense:** Look for tear-notch located at the top of the refill pouch. Open pouch by tearing straight across at notch. Starting from the center of the roll, pull one wipe through the pouch center opening and then thread wipe through the dispenser nozzle. Adjust nozzle tension on dispenser, if applicable. For use with upward-pull dispensers (floor stand or wall units) only; product will drip in a downward-pull dispenser.

**For Use:** Pull wipe up from the dispenser feed at an angle and tear from roll with a downward motion. Wipe surface thoroughly and allow to dry naturally. Dispose of wipe in trash.

## ***Inactive Ingredients***

Aloe Barbadosensis Leaf Juice, Aqua (Water), Benzoic Acid, Cetylpyridinium Chloride, Disodium Cocoamphodiacetate, Glycerin, Phenoxyethanol, Polysorbate 20, Potassium Sorbate, Sodium Citrate
