-----

### **CVS Health Maximum Strength Hemorrhoidal Relief Cream**

#### Uses

Temporarily relieves pain, itching and discomfort due to anorectal disorders and temporarily shrinks hemorrhoidal tissue.

#### Warnings

For External use only

Allergy alert: Certain persons can develop allergic reactions to ingredients in this product

#### Directions

- Adults: when practical, cleanse the affected area with mild soap and warm water. Rinse thoroughly. Gently dry by patting or blotting with toilet tissue or a soft cloth before application of this product.
- Adults and children 12 years and older: apply externally to the affected area up to 4 times a day.
- Children under 12 years of age: consult a doctor.

#### Other information

- To secure child-resistant cap: screw cap tightly. Then turn cap in opposite direction. If clicking sound is not heard, repeat procedure.
- Tamper-Evident: do not use if foil seal under cap is broken or missing.
- See crimp of tube for lot number and expiration date.
