Iodine (as Potassium Iodide)	150 mcg	100%

Other ingredients: Microcrystalline Cellulose (USP)

Vegetable Capsule (cellulose, purified water)

DESCRIPTION

Matervia is an orally administered prescription vitamin formulation for the clinical dietary management of suboptimal nutritional status in patients where advanced folate supplementation is required and nutritional supplementation in physiologically stressful conditions for maintenance of good health is needed.

WARNING AND PRECAUTIONS

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. KEEP THIS AND ALL DRUGS OUT OF THE REACH OF CHILDREN. In case of accidental overdose, call a doctor or poison control center immediately.

CONTRAINDICATIONS:

Matervia is contraindicated in patients with a known hypersensitivity to any of the

ingredients. Do not take this product if you are presently taking mineral oil, unless directed by a doctor.

PRECAUTION:

Folic acid alone is improper therapy in the treatment of pernicious anemia and other megaloblastic anemias where vitamin B is deficient. Folic acid in doses above 1 mg daily may obscure pernicious anemia in that hematologic remission can occur while neurological manifestations progress. Matervia should only be used under the direction and supervision of a licensed medical practitioner.

ADVERSE REACTIONS

Allergic sensitization has been reported following both oral and parenteral administration of folic acid. You may report side effects by calling 1-800-519-8334 or the FDA by calling 1-800-FDA-1088.

DOSAGE & ADMINISTRATION

Suggested use is 2 capsules taken orally once daily or as prescribed by a licensed medical practitioner.

HOW SUPPLIED HEALTH CLAIM:

Matervia Capsules are available in 60-count bottles

NDC 72835-660-01

Dispensed by Prescription†

† This product is a prescription-folate with or without other dietary ingredients that – due to increased folate levels increased risk associated with masking of B12 deficiency (pernicious anemia) requires administration under the care of a licensed medical practitioner (61 FR 8760).

This product may be administered only under a physician's supervision and all prescriptions using this product shall be pursuant to state statutes as applicable. The ingredients, indication or claims of this product are not to be construed to be drug claims.

STORAGE AND HANDLING

Store Matervia at room temperature. Avoid excessive heat, light, and moisture.

Statements

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
