

GLY-SAL 2-2 PADS- salicylic acid cloth
Topiderm, Inc.

Gly-Sal® 2-2 Pads

Drug Facts

Active ingredient

Salicylic Acid USP, 2%

Purpose

Acne medication

Uses

Cleansing pads for the treatment of acne.

Directions

- Wipe the entire affected area with a pad one to three times daily
- Because excessive drying of the skin can occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a physician
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Warnings

- **For external use only**
- Keep away from eyes, lips, and mouth
- **Keep out of reach of children**
- If irritation develops, discontinue use and consult a doctor
- Using other topical acne medication at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor
- If swallowed, seek professional assistance or contact a Poison Control Center immediately
- Sunscreen use is recommended with any glycolic acid product and for an additional week thereafter because some individuals may be more sensitive to sunlight.

Inactive Ingredients

Ammonium Hydroxide, Camellia Sinensis Leaf Extract, Disodium EDTA, Glycolic Acid, Hamamelis Virginiana (Witch Hazel) Water, Imidazolidinyl Urea, Polysorbate 20, Purified Water, Sodium Benzoate.
