Ningbo Chenxing Daily Necessities Co., Ltd.

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

WET WIPES

Active Ingredient(s)

Benzalkonium Chloride 0.1%. Purpose: Antiseptic

Purpose

Antiseptic, Wet Wipes

Use

For disinfection of hands, face, legs, skin, surfaces, and to reduce germs and bacteria on the skin if you cannot wash hands

Warnings

For external use only.

May cause irritation on sensitive skin, discontinue use if irritation or rash appears. Avoid direct contact with eyes.

In case of eye contact, flush with plenty of water. In case of skin irritation, wash off skin immediately with plenty of water, using soap if available. Seek medical attention immediately if irritation persists.

Keep out of the reach of children.

Directions

Remove top, open bag, lift pop top, feed wipe through opening, and gently pull to remove wipe. Gently wipe hands and / or face to remove 99.9% of germs and bacteria. After use, close top to keep wipes moist. Do not flush, please discard wipe in trash after use. Please recycle canister.

Other information

Shelf life 2 years if unopened sealed container. Store in cool, dry place. High temperatures may reduce shelf life or dry out wipes

Inactive ingredients

Purified water, Phenoxyethanol, Ethylhexyl Glycerin, Propylene Glycol, Didecyldimonium Chloride Glycerin, Aloe Vera
