ANTISEPTIC

70% Alcohol with panthenol and hyaluronic acid to keep your hands fresh and clean.

Drug Facts

Active ingredient	Purpose
Alcohol 70 %	Antiseptic

Uses
Hand sanitizer to help reduce bacteria that potentially can cause disease. Use only when soap and water are not available.

Warnings
For external use only. Flammable. Keep away from heat or flame.

Do not use

- in children less than 2 months of age on open skin wounds
- When using this product keep out of face, ears, and mouth. In case of contact with eyes, rinse eyes thoroughly with water.

Stop use and ask a doctor if irritation or rash occurs. There may be signs of a serious condition.

Keep out of reach of children if swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Place enough product on hands to cover all surfaces. Rub hands together until dry.
- Supervise children under 6 years of age when using this product to avoid swallowing.
- Avoid direct inhalation of vapors during application. (Irritation and contact to mucous membranes may occur when directly inhaled.)
- This product is intended only for hand sanitizing.
- To prevent contents from drying out and contaminants from entering, close lid completely after use.
- Keep product in its original container as storing the product in anything other than the original container may result in accidents or cause the integrity of the product to diminish.
- Do not use over blemishes, castings, etc. as irritation may occur.

Other information

- Store between 15-30 °C (59-86 °F)
- Avoid freezing and excessive heat above 40 °C (104 °F)
