Purpose

Acne treatment

Uses

- for the treatment of acne
- reduces the number and severity of acne blemishes and allows skin to heal

Warnings

For external use only

Flammable until dry.

Keep away from flames and heat.

When using this product

skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor

- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Other information

store in a cool, dark place

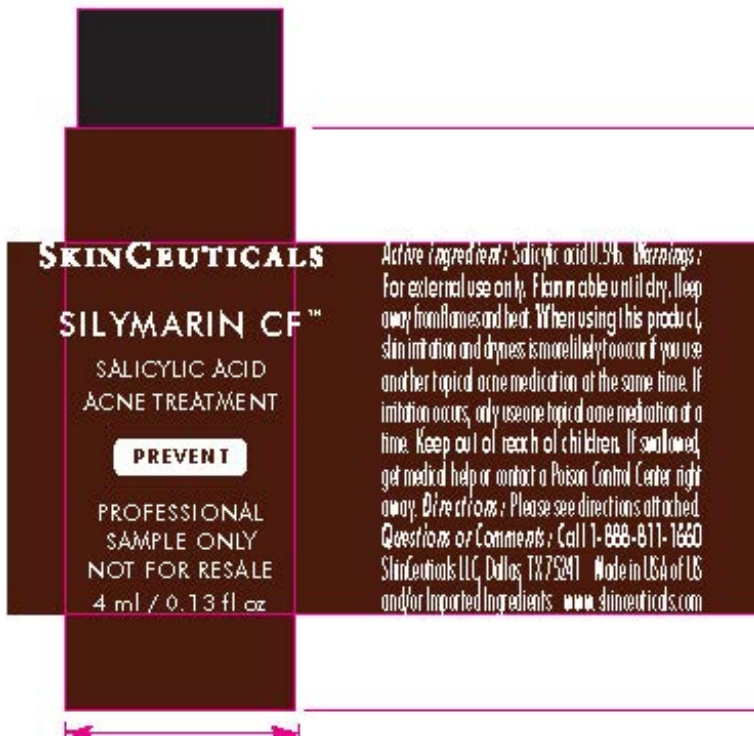

Inactive ingredients

SkinCeuticals LLC, Dallas, TX 75241 Made in USA of US and/or Imported
Ingredients www.skinceuticals.com 36126222.70678 0320

ACTIONS Combines proven antioxidants vitamin C, ferulic acid, and silymarin to maximize antioxidant performance and neutralize oil oxidation.

With continued use, this synergistic, oil-free formulation enhances protection against environmental damage caused by free radicals. Helps prevent the development of new acne blemishes and reduces the severity of acne, while improving signs of aging, such as fine lines, uneven skin texture, and the appearance of pores.

NOTE L-ascorbic acid could oxidize and darken with time, but will remain effective. May cause a slight tingling sensation.

RECOMMENDATIONS FOR USE Once in the morning after cleansing, place 4–5 drops in palm of hand. Using fingertips, apply to a dry face, neck, and chest.
