Salicylic Acid 2.0%

Purpose

Acne Treatment

Use

- for the management of acne

Warnings

For external use only

Do not use on damaged or broken skin

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children. If product is swallowed, get medical help or contact a Poison Control Center right away.

Directions

- clean the skin thoroughly before applying product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Under-the-surface acne pimples don't stand a chance against our max-strength salicylic acid serum that clears breakouts and allows skin to heal. Amino acids precisely target irritation-causing bacteria and a redness-reducing phytosteroid hydrates to soothe discomfort.

TO USE: AM and PM. Apply an even layer on affected areas.
