water, glycerin, isopropyl alcohol, disodium cocoamphodipropionate, hydroxyethylcellulose, lauramine oxide,

PEG-75 lanolin, citric acid, FD and C red no.4

## Handy Quat 6265 1 Gallon Label

Handy Quat 6265 1 Gallon Label

This product is an effective one-step cleaner/sanitizer for use in food processing plants and restaurants by personnel prior to handling food and/or food processing equipment. Based on quaternary ammonium chlorides, this viscous formulation is more cost-efficient than traditional PCMX-based products.

This formulation effectively reduces the bacterial flora of the skin. When tested via the Modified Available Chlorine Germicidal Equivalent Concentration Test it demonstrates equal sanitizing activity to 50 ppm of free chlorine against *Staphylococcus aureus* and *Salmonella typhi*. Formulated with skin conditioners for extra mildness.

Este producto es eficaz para limpiar y desinfectar en un solo paso. Los empleados de restaurantes y de las fábricas que procesan alimentos lo usan antes de tocar el alimento o el equipo que lo procesa. Este producto se basa en cloruros de amonio cuaternario y su fórmula viscosa lo hace más económico que los productos tradicionales que se basan en el PCMX.

Esta fórmula reduce la flora de bacterias en la piel. Al medirse con la Prueba de concentración equivalente de cloruro de cloro disponible, ha demostrado un poder bactericida de 50 ppm (partes por millón) de cloro liberado contra el *Estafilococo aureo* y contra la *Salmonella typhi*. Esta fórmula también incluye ingredientes suavizantes.

Drug Facts	Purpose
<b>Active Ingredients</b> Benzalkonium Chloride 2.5%	<b>Antiseptic</b>
<b>Uses</b> For handwashing to decrease bacteria on the skin.	
<b>Warnings</b> For external use only. When using this product: • Do not get into eyes. • If contact occurs, rinse eyes thoroughly with water. • Stop use and ask a doctor if: • Irritation and redness develop.	
<b>Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.</b>	
<b>Directions</b> • Wet hands and forearms. • Apply 6 mL (1/4 ounce) or amount to hands and forearms. • Rub thoroughly for 1 minute and rinse. • If the product fluid is dispersed from automatic dispensers located a sufficient distance from processing lines to prevent accidental product contamination.	
<b>Other Active Ingredients</b> water, phosvitin, isopropyl alcohol, disodium cocoamidopropionate, hydroxyethyl cellulose, lauramine oxide, PEG-75 lanolin, citric acid, FD & C red #4.
