

DIUREX- pamabrom capsule
Alva-Amco Pharmacal Companies, Inc.

Diurex Capsules

Active ingredient (in each capsule)

Pamabrom, 50 mg

Purpose

Diuretic

Uses

For the relief of

- temporary water weight gain
- bloating
- swelling
- full feeling

associated with the premenstrual and menstrual periods

Warnings

Ask a doctor or pharmacist before use if you are taking any other medication.

Stop use and ask a doctor if symptoms last for more than ten consecutive days.

If pregnant or breastfeeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

- Read all package directions and warnings before use.
- Use only as directed.
- Adults: Take one (1) capsule after breakfast with a full glass of water. Dose may be repeated after six (6) hours, not to exceed four (4) capsules per day.
- Start taking 5 or 6 days before onset of period and continue until desired relief is obtained or end of period.
- Drink 6 to 8 glasses of water daily.
- For use by normally healthy adults only.
- Persons under 18 years of age should use only as directed by a doctor.
- Note: The appearance of golden-tinted urine, which may occur after taking Diurex Water Capsules, is a normal and temporary effect.

Other Information
