

**DIUREX- pamabrom capsule**  
**Alva-Amco Pharmacal Companies, Inc.**

-----  
**Diurex Capsules**

**Active ingredient (in each capsule)**

Pamabrom, 50 mg

**Purpose**

Diuretic

**Uses**

For the relief of

- temporary water weight gain
- bloating
- swelling
- full feeling

associated with the premenstrual and menstrual periods

**Warnings**

**Ask a doctor or pharmacist before use if you are** taking any other medication.

**Stop use and ask a doctor if** symptoms last for more than ten consecutive days.

**If pregnant or breastfeeding,** ask a health professional before use.

**Keep out of reach of children.** In case of overdose, get medical help or contact a Poison Control Center right away.

**Directions**

- Read all package directions and warnings before use.
- Use only as directed.
- Adults: Take one (1) capsule after breakfast with a full glass of water. Dose may be repeated after six (6) hours, not to exceed four (4) capsules per day.
- Start taking 5 or 6 days before onset of period and continue until desired relief is obtained or end of period.
- Drink 6 to 8 glasses of water daily.
- For use by normally healthy adults only.
- Persons under 18 years of age should use only as directed by a doctor.
- Note: The appearance of golden-tinted urine, which may occur after taking Diurex Water Capsules, is a normal and temporary effect.

## Other Information
